To Delaware County High school Guidance Counselor's:

Family and friends of the late Thomas D. Avery have formed a scholarship fund in his memory and are planning a 2nd Annual benefit motorcycle ride and barbeque called "The Thomas D. Avery Road Hawg Benefit Ride." Since last year's event was a huge success we would like to invite this opportunity to your students again this year.

In order to combine Tom's two passions of motorcycle riding and law enforcement, we have created this event and scholarship in his honor and memory. The benefit ride is to raise money for a scholarship that will be awarded to a local student(s) who will be furthering their education in the criminal justice or law enforcement field.

Thomas D. Avery was a Sergeant at the Delaware County Sheriff's Department in which he served a faithful 30 years. Mr. Avery grew up in Delhi and attended Delaware Academy. He was an avid motorcyclist who enjoyed spending time with his family and friends and gave to the community at any chance he got. Mr. Avery was an active member in his community. He served as a councilman on the Hamden town board, worked as a relief postmaster at the Hamden post office as well as serving his duties with the Delaware County Sheriff's Department. Mr. Avery also worked with the youth of Delaware County as an advisor for the Sheriff's Explorer Post 108 for 6 years and was also a faithful member of the Masonic lodge in Delhi for 19 years.

Attached you will find the requirements and application for the scholarship. Any questions regarding these please call (607) 746-9405 or visit our website www.averybenefitride.com.
